By kind invitation of
Mr and Mrs Patrick Mansel Lewis

Guided tour of Stradey Castle Estate Woodlands and Grounds by the hosts Mr and Mrs Patrick Mansel Lewis, Mr Dai Jones, Hugh Wheeldon and Co. Stradey Castle Estate woodlands extend to 127 Hectares and comprise a mixture of Native woodlands, Parkland woodlands and conifer plantations. The owner's priorities for management over the last decade have been the restoration of the Castle woodlands, management of commercial woodlands reaching maturity and tackling Rhododendron which had become well established throughout the woodlands.

The site may involve moderately strenuous walking and there may be some trip hazards. The day will involve some short movements between stops using your own vehicles.

Please bring a packed lunch and flasks etc as required. Light Refreshments will be provided at the end of the event with the option of a short tour of Stradey Castle.
